'DE KLEINE WITRIJT'

Your spot for a rustic camping holiday

We would love to welcome you to our domain for a pit stop at our restaurant or a stay at our campsite. Landschapscamping 'De Kleine Witrijt' is a campsite with a lovely atmosphere, situated in the beautiful wooded Brabantse Kempen area. Our campsite is characterised by its peaceful location, its spacious layout, its clean and ample sanitary facilities, and its large meadow with wildflowers and herbs, surrounded by natural hedgerows. Our traditional Dutch goats graze in this meadow.

Across the road you will find our restaurant, Landschapssakker De Oude Belg. Here you can enjoy a snack or a drink or participate in the many activities we offer, such as the beautiful hiking routes we have marked out for you. There is plenty of room for children to play at the restaurant.

This is also the place where we sell responsibly and carefully grown products from our vegetable garden. 'Carefully' in the sense that we also provide care and support for people with an intellectual and/or mental health disability. These people live at external locations under our supervision and work, during the day, on the grounds of Domein De Kleine Witrijt (the De Kleine Witrijt Domain), the name by which all of our business activities are collectively known.

"NATURALLY ENJOYING IN A RURAL SURROUNDING"

Our campsite is also a great spot for exploring the surrounding area, either on foot, by bicycle, or in the car. The De Witrijt area forms part of the greater De Kempen Forestry, a heavily forested area featuring beautiful and special nature, such as the Cartierheide heath close by and the Zwarte Weijer swamplands.

There are also plenty of cultural sights to be seen in the area. Bergeijk is known for its characteristic Rietveld architecture, which features prominently in its streets in several locations. The De Kempen area and its residents have a long history that goes all the way back to the Bronze Age. Bergeijk boasts four burial mounds that date back to that time, and there are various museums nearby that will tell you more about the history of the De Kempen area.

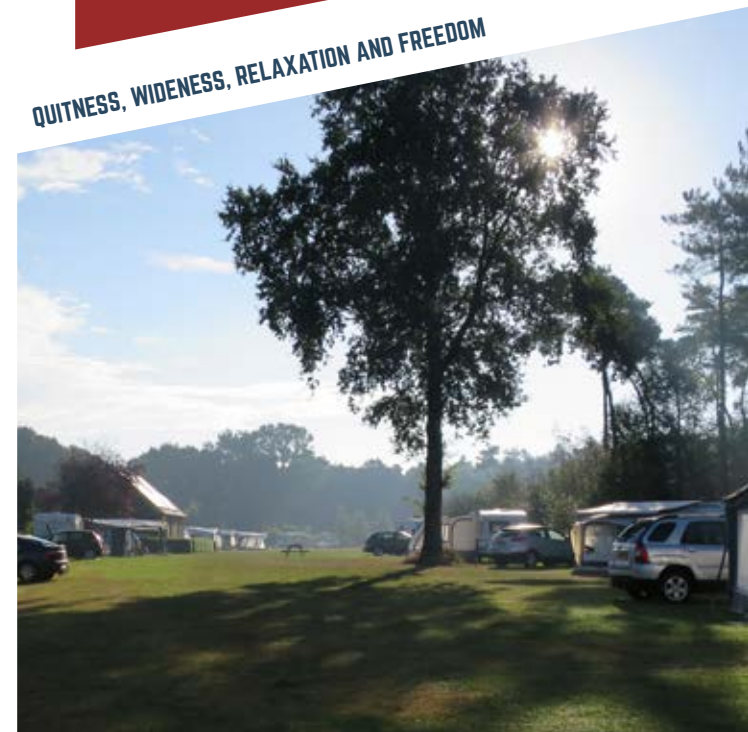

The De Kempen area is a cross-border region and our campground is situated close to the border with Belgium. As such, we are the perfect spot for you to indulge in literally boundless pleasure, with unlimited opportunities to enjoy nature, and go on gastronomical adventures and cultural outings. To read more about the many options, please go to our website, www.dekleinewitrijt.nl, or www.domein-dekleinewitrijt.nl
